

Application No. 09/893,301

Atty Docket No. INXT 1017-1

REMARKS

The applicants have submitted the following amendments to the specification in response to the Notice of Drawing Inconsistency with Specification mailed 28 February 2006. In accordance with the Notice, applicants have added paragraph **[0011A]** to provide a description of Figure 7 to be listed under the heading **BRIEF DESCRIPTION OF THE DRAWINGS**. Applicants have also amended paragraph **[0024]** to include a reference to Figure 7

In response to the Notice Regarding Drawings mailed 27 February 2006, applicants have provided replacement sheets for Figures 1-7 which have been prepared by a competent draftsman showing uniformly thick and well-defined lines, reference numbers and letters (in accordance with 37 CFR 1.84(l)) and at least .32 cm (1/8 inch) in height (in accordance with 37 CFR 1.84(p)(3)).

This amendment is being filed to amend the specification and correct the figures. A Notice of Allowability allowing claims 1-10 was received by the Applicants in this application, and payment of the Issue Fee is due on 26 April 2006. Accordingly, payment of the Issue Fee is also being submitted with this amendment.

This amendment adds no new matter, and does not materially alter the application. Entry of this amendment is respectfully urged because it merely cures a minor inconsistency in the brief description and formatting of the drawings and does not touch the merits of this application
